MULTILITE

Document Holder and Writing Slope

Overview

A light, modern alternative to the popular MultiRite Document Holder and Writing Slope.

MultiLite offers all of the unique benefits of the best-selling MultiRite, but reformed in lightweight but durable and stylish frosted acrylic. Use this two-in-one document holder and writing slope to achieve a comfortable ergonomic viewing angle for increased productivity and workflow.

Three viewing angles allow you to find the most comfortable position. Positioning the MultiLite in line with your monitor helps to reduce awkward twists and turns to help lower the risk of repetitive strain injury (RSI). The foam wrist rest ensures absolute comfort, while the rubber feet keeps the MultiLite firmly in place.

Features

- Easy to use and adjust to height and angle of choice
- Choose from 3 different viewing angles
- Sliding top offers 2 working positions
- Clears up desk space
- Lightweight, strong and attractive frosted 5mm thick acrylic
- Useful storage tray beneath writing surface
